

# Vehicle History

## Actionable vehicle history to streamline your recall

Bolster your recall campaign with integrated actionable vehicle and title data, enhancing the reporting and reducing the distraction of scrapped, stolen and exported cars.

### Benefits

#### Up-to-date Vehicle Data

Real time access to stolen, scrap and exported status.

#### Intelligent Data Processing

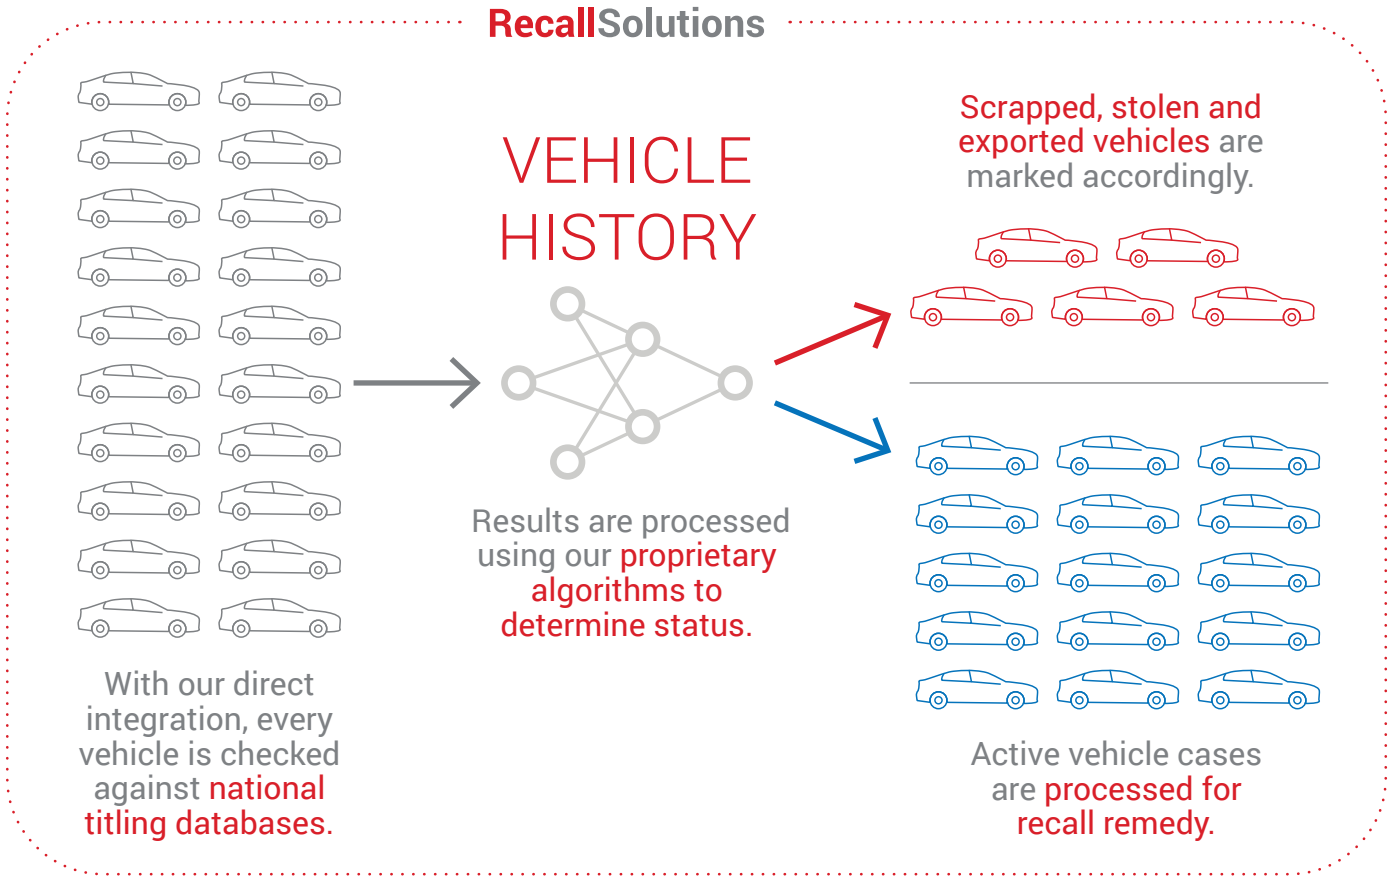

Seamlessly convert title branding and events data into action.

#### More Effective Recall Management

Better data for better visibility to quickly drive completion rates.

### How It Works

# Features

## Direct Integration

Robust, real-time connection.

## Automation

Automatically processed with proprietary algorithms.

## Reporting

Accurately reflect active vehicle population.

## Efficient Outreach

Streamline outreach with more precise targeting.

# Product View

VINs are automatically processed based on title data to determine next campaign steps.

Detailed report for each vehicle from vendor.

# About Agero

Agero's mission is to rethink the vehicle ownership experience through a powerful combination of passionate people and data-driven technology. As the #1 B2B, white-label provider of digital driver assistance services, we're pushing the industry to redefine manual processes as digital, transparent and connected.

The company has over 150 million vehicle coverage points in partnership with leading automakers, insurance carriers and others. Managing one of the largest national networks of service providers, we respond to approximately 12 million service events annually. Agero, a member company of The Cross Country Group, is headquartered in Medford, Mass., with operations throughout North America. **To learn more, visit [www.agero.com](http://www.agero.com).**
