

2021 Ram 3500/4500/5500

Emergency Tow Hooks - If Equipped

Your vehicle may be equipped with emergency tow hooks. The tow hooks are located in the front lower fascia/bumper.

Emergency Tow Hooks

Note: For off-road recovery, it is recommended to use both of the front tow hooks to minimize the risk of damage to the vehicle.

WARNING:

- Do not use a chain for freeing a stuck vehicle. Chains may break, causing serious injury or death.
- Stand clear of vehicles when pulling with tow hooks. Tow straps may become disengaged, causing serious injury.

CAUTION:

Tow hooks are for emergency use only, to rescue a vehicle stranded off-road. Do not use tow hooks for tow truck hookup or highway towing. You could damage your vehicle.
